- Your chosen fragrance oil from Africa Imports.
- A spray bottle.
- A measuring device such as a pipette.
- Denatured alcohol or Everclear (which can be found in most liquor stores.)

What is the difference between fragrance oil and essential oil?

Essential Oils

- Made from plants and other natural products
- Steam distilled to produce the oil
- Completely natural
- More expensive
- Not available for most fragrances
- Designer-named fragrance oils are never essential oils

Fragrance Oils

- Fragrance oils are used to make perfumes, cosmetics, and flavorings.
- They can be made to almost any fragrance, not just nature scents,
- Cost is normally much lower than the essential oils.
- More options, and a lot more fragrance for your money.

What is the difference between oils that you burn and oils that you wear?

There is no difference in the oil itself. Some oils are popular for burning, because people like that fragrance in their home - you can think of cherry or frankincense. Other oils are most popular as perfumes. A person may not want to smell like cherry, and may not want their house to smell like Chanel #5. But a person can wear cherry and can burn Chanel #5 if they want to.

Helen helps to take care of orphan children and vulnerable women in Zambia. Recently her own son Troy developed a cancerous growth on his neck.

Your purchases allowed us to send

enough extra to pay for Troy's medical treatment. Troy is now cancer free, and Helen is very happy and very thankful for the medical treatment you helped to provide. These photos show Troy in the hospital, and now back at home with his mother.

making a difference

One fun thing that your purchases do is to support a few soccer teams in Africa. This is

a way of helping young people develop better life skills and avoid some of the bad lifestyles that happen without this sort of discipline.

Some of the guys in this team in Tanzania come from difficult backgrounds and live on the streets. Through some of the mentoring and other activities that happen with this, their own lives are changed, and communities in Africa are made healthier. Just a small amount of money is needed to get these teams together. Your purchases pay this for between 5 and 10 of these soccer teams.

Inspiring People

who are making a difference in Africa

All of the people shown here receive a part of their income from your purchases from Africa Imports. Half of our profits are used to help people with education, medical care, and job training in Africa. There are also over 600 children in need who receive meals each day from this money. The actual work is all completely organized and operated by African people. We are still very involved with each person shown here with the individual work that they do.

making a difference

Destiny School in Zimbabwe was started during Covid by Israel and Shelter. They volunteered their time and their home for disadvantaged children in their neighborhood who could not afford the cost of school.

The kids are shown here outside of their newly built classroom in their school uniforms.

Since then the school has grown to serve over 100 disadvantaged children: all of them from impoverished

homes. Your purchases from Africa Imports have paid for one meal a day for each of these kids for the last few years. This has also paid a part of the cost to build this simple school and to buy uniforms and school materials.

making a difference

Richard Chileshe has just moved to Kassama Zambia to run a school for orphan children. Although he and his family can live on the school grounds, they are not paid for this otherwise. Your purchases from Africa Imports helps to pay a small salary to them for this work that they do to help these orphan children.

The needs of these kids are great, and there is no one else doing work like this in this area right now. Your purchases from Africa Imports allow Richard and others to make a difference in Africa.
