

240 South Main Street, Unit A
South Hackensack, NJ 07606
201-457-1996

SAFETY DATA SHEET

1. Identification
 - Product Name Mango Butter
 - Common Chemical Name Triacylglycerol
2. Composition
 - Substances presenting a health hazard None
3. Main hazards
 - Inhalation None
If heated to more than 215c, the product may form vapors or fumes which may cause coughing and shortness of breath
 - Skin contact Non Irritant
 - Eye contact Non Irritant
 - Emergency Telephone No (617)-472-9300
4. First Aid:
 - Inhalation None
 - Eye Contact Flush with distilled water
 - Skin Contact Clean with water and soap
 - Ingestion Drink hot water
5. Fire- Fighting Measures
 - Extinguishing media Suitable
 - Not to be used Isolation from air by using powder, foam and CO2
Water
6. Accidental Release Measures
 - Environmental precautions If the material has been released into a stream or sewer, inform the proper authorities of the possible presence of floating material
 - After Spillage/leakage
 - On soil Remove mechanically
 - On water Remove mechanically
7. Handling and Storage
 - Technical protective measures Store in containers under normal, cool, dry
 - Handling No specific danger
 - Storage Liquid proof separation areas around tanks are recommended to avoid leakage into environment. Storage temperature: ca. 50-60 c

8.	Exposure Control and	
	Occupational exposure limit	N/A
	Personal protection	
	Respiratory protection	N/A
	Skin protection	N/A
	Eye protection	N/A
	Other personal protection	N/A
9.	Physical and Chemical Properties:	
	Appearance	Yellow solid state, transparent yellow in liquid state
	Colour	White
	Meltingpoint (slip point)	30-34c
	Solubility in water	Insoluble
	Specific weight at 60c	Approximately 0.88 kg/l
	Taste	Bland
10.	Stability and Reactivity:	
	Hazardous reactions	Stable under normal operating conditions
11.	Toxicological Data:	
	Acute toxicity	
	Symtoms related to use	
	Inhalation	Non irritant
	Skin contact	Non irritant
	Eye contact	Non irritant
	Ingestion	Non Irritant
12.	Ecological Information:	
	Information on ecological effects	Biodegradable matter. In case of large spills in the environment, temporary pollution may occur
13.	Disposal Conditions	According to local regulations do not drain into the water isolate small spills with absorbent grit
14.	Transportation information	
	Other	Normal precautions for transport of liquid/solid edible products
15.	Regulatory information	
16.	Other information	
	Further information	No information
