Making a difference

Your purchases from Africa Imports helps to support six different schools for children in financial need. In most of these schools, we also supply one meal each day for each student. For about half of these children, this is the only meal that they normally have for the day. Your purchases not only help these children to eat, but this meal allows them to learn better in class than they could with an empty stomach. The child shown here is in one of these schools in Northern Zambia.
