## making a difference

For about 10 years, different groups of orphan children have been given groceries that are paid for from your purchases at Africa Imports. There are three different orphanages that food is donated to, and there are big meetings on Saturdays with over 100 children who come to receive this food. This not only gives each of these children food, but also gives them a sense of dignity and value when they can provide something to the home of their foster parents. The photo shows some of these children waiting to receive their groceries.
