Making a difference

Your purchases from Africa Imports help fund six schools for children in need, including one in Mkushi, Zambia. This small school started its first full year last year and provides life-changing opportunities. Without it, many children would have to walk over 20 miles to attend school.

While education is offered by the government, many rural children still can't go due to extra fees. The community built this school, and Africa Imports helps with supplies and costs. Teachers and volunteers often work without pay.

These boys in a rural village in Burundi are shown receiving a soccer ball from Samson. Samson helps people in this remote and difficult area in a number of ways. This soccer ball may not seem like a special thing to many of us, but it is a treasure to the boys shown here.

Without this, the game is most commonly played with a ball of strings and rags wrapped together. An actual soccer ball is something that makes life much better for kids in an area like this.

Making a difference

Angela helps small children suffering from malnutrition in The Gambia. The child shown with her here is between 2 and 3 years old, and weighs about 13 lbs. Because malnutrition is common, parents can bring a child to the clinic where Angela is for help – even when they can not afford to pay. Angela will check the child for problems, and give them a special drink, and a therapeutic food that the child can have at home.

Angela wrote "It's really a great opportunity to serve. It always gives me peace of heart and joy just to serve a person".

We have known Angela for many years now. She is a very kind and caring person who has given her life to helping children in need like this. Most of Angela's salary is paid for by your purchases from Africa Imports.

Making a difference

There is a major drought in Africa this year, and Africa Imports has been able to supply this group in a difficult to reach area through Isaya. Isaya has been serving some of the people in this village without pay out of a sense

of calling and compassion. By having Africa Imports to partner with him this way, some of the people here have been spared from some major difficulties.

Making a difference

Kingfred (shown here with a garden hoe) teaches people in remote villages around Lake Tanganyika in Zambia how to farm more productively. His work is a major help to people who often can only eat from the food that they grow. Even basic farming practices can make a big difference, and Kingfred has both the training and experience to be able to give this to people. Your purchases from Africa Imports helps to pay Kingfred for this

The meaning & history of the cowrie shell

The cowrie shell has many uses. It has been used as money in the past. They are most popular now however for jewelry, hair and religious accessories all over the world.

Spiritual meaning - In African legend, a love of cowrie shells shows that you could be family to an ocean spirit of wealth and earth. It also represents the Goddess of protection in the ocean. In Africa, and in the Americas, the cowrie symbolized destiny and prosperity. Also thought of as the mouth of Orisha. Believed to have taught stories of humility and respect.

Get Health – Get rid of bad taste

Bitters can work wonders. They are some of the most popular products we offer. But most people say they taste really bad. Try a drop, and you'll see why.

To get the good-for-you that you need, mix two teaspoons of bitters in a full glass of water. They go down easy this way.

Or, add it to a smoothie or other drink. Bitters are also used in some alcoholic mixed drinks.

African Rooibos Tea

In The Cup

Drinking rooibos tea can ensure a restful night of sleep, and ease tension in your body. It has a strong natural fluoride and calcium content that will help strengthen your teeth and bones. It is also a beneficial way to relieve stomach and digestive ailments.

In The Bath

Soaking yourself in bathwater with a bag of African rooibos tea will benefit your skin.

Rooibos tea has natural antioxidants that help clear the skin and delay the aging process. It also helps ease symptoms of eczema, psoriasis, rash, and acne. It is known for its soothing effect on the skin and senses and is a great way to kick back and relax.

This tea is amazing. My 10 y/o son loves it. I think it's one of those teas where it preserves your youth, because people keep telling me that I look young for my age. Very healthy/powerful stuff.

Feeding and Educating Children

These are a some of the children your purchases with Africa Imports are helping in a big way. This school in Kasama, Zambia has about 850 children. Buying even the most simple of meals for this many children

is a big expense. For the last several months we have been donating enough to pay for one meal a week for these kids. We are hoping to do more than this soon, but even one meal has been a tremendous help to these children.

Personal care products are a great way to generate customer loyalty, more sales, and help the people who are searching for a healthier lifestyle.

Tried and True Methods for Selling Health/Beauty Products

- **Give out samples!** We sell sample-sizes of many of our personal care products so you can let your customers try the product out before buying! Give out samples to your friends and family and you're sure to get some loyal customers
- **Use social media!** Try out the products yourself and talk about your results on Facebook, Twitter, or Youtube! Take before and after pictures and let your prospects know how much you personally are benefiting from these products
- **Give your health and beauty products a prominent place** in your store! People love to find ways to be healthier and have better skin.
- **Give out samples** of your products to spas or nail salons. Many of these places need shea butter, jojoba oil, or other skin care products to use for their customers.
- **Have a home party!** Invite your friends and customers over and share with them the many benefits of African health and beauty. Give out samples, show a demonstration, and make it fun for everyone!

HOW TO MAKE INCENSE

Materials you will need:

- Unscented incense
- Oil fragrances

- A tray to hold incense
- A second tray, rack, or screen
- Bags to store the finished sticks

Fragrance Oils
1 oz. \$9.95-\$13.95
4 oz. \$39.95-\$53.95
1 lb. \$129.95-\$169.95

One pound (16 oz.)
DPG (Di Propylene Glycol) \$7.95 lb.

2" X 12" 1,000 bags P-119 \$23.95
2" X 12" 500 bags P-118 \$11.95

Step #1

Mix 1% of your favorite fragrance oils with 1% DPG, but experiment a little first. If you get black smoke when you burn the incense, your solution has too much DPG.

Step #2

Soak incense sticks in the fragrance oil blend you have prepared. Soak for at least 24 hours. You can use the least oil by soaking your incense horizontally in a flat pan instead of vertically in a bottle. When making large quantities of incense for re-sale, soak the sticks upright in 5 gallon buckets.

Step #3

After soaking the incense, remove incense sticks and let them dry for 24 hours. Baking racks work best for drying.

What is the difference between fragrance oil and essential oil?

Essential Oils

- Made from plants and other natural products
- Steam distilled to produce the oil
- Completely natural
- More expensive
- Not available for most fragrances
- Designer-named fragrance oils are never essential oils

Fragrance Oils

- Fragrance oils are used to make perfumes, cosmetics, and flavorings.
- They can be made to almost any fragrance, not just nature scents,
- Cost is normally much lower than the essential oils.
- More options, and a lot more fragrance for your money.

What is the difference between oils that you burn and oils that you wear?

There is no difference in the oil itself. Some oils are popular for burning, because people like that fragrance in their home - you can think of cherry or frankincense. Other oils are most popular as perfumes. A person may not want to smell like cherry, and may not want their house to smell like Chanel #5. But a person can wear cherry and can burn Chanel #5 if they want to.

Carrier (cutting) oils

Help your oils last longer

Normally our customers sell the oils uncut. There are times when oils need to be cut, however. DPG is normally mixed with oils when they are being used in an oil burner or in making incense. Grapeseed oil is the lowest priced carrier oils, it works great for massage, aromatherapy or whenever it is on your skin.

Find out how each of these essential oils can bring healing through aromatherapy at africaimports.com/essential-oils

How to Use Essential Oils

Inhalation

Use a diffuser. This device is a helpful way to easily infuse any setting with the scent of your choice.

Place 3-7 drops of essential oil into a bowl of hot water, put your face over the water and a towel over your head to trap in the steam. Keep your eyes closed as you inhale through your nose.

Make a bottled spray or spritz with 10-15 drops of your favorite essential oil and one ounce of water.

Topical use

Drop it into a bath. While a bathing ritual itself can be a self-soothing treatment, adding essential oils can further benefit you.

Dilute essential oils with a carrier oil and apply the mixture to your skin. Gently rub the oil into pressure points such as your temples and wrists.

Add a few drops of essential oils to your shampoo, conditioner, and body wash or lotion.

There are more than ninety popular essential oils that have both cosmetic and health uses. You can try the African essential oils to enjoy some of the health and beauty benefits.
