## Get Health – Get rid of bad taste

Bitters can work wonders. They are some of the most popular products we offer. But most people say they taste really bad. Try a drop, and you'll see why.

To get the good-for-you that you need, mix two teaspoons of bitters in a full glass of water. They go down easy this way.

Or, add it to a smoothie or other drink. Bitters are also used in some alcoholic mixed drinks.

## How To Use Chebe

Now you can get African chebe in your shampoo, conditioner, hair oils, hair gel, pomade, hair grease and more.

### The traditional African chebe method

1. Dampen the hair.
2. Apply the Chebe mixture. You can alternate between the scented oil/hair grease mix and the chebe powder mix until the hair is fully saturated.
3. Re-braid the hair. Once the braiding is done, wet it again with water.
4. For best results, repeat the routine every 3 to 5 days.

## Making a difference

Angela in Zambia (shown in green below) works helping Aids victims. Some of the people she helps are in this prison, where they have a very difficult time getting medicine and other help that they need. There is a lot of fear and shame associated with Aids in many parts of Africa. People who suffer with this have very difficult lives in many ways. Although she has never had aids or been in prison herself, she gives tremendous energy to helping others who do. Your purchases with Africa Imports help Angela to do the work that she does.

## Making a difference

Hellen in Zambia is shown here helping a handicapped person to get medical help. Hellen is a hard working and intelligent woman who helps very poor people in Zambia to deal with a range of physical and government issues. She could live somewhere else more comfortable and safe, but lives in the community with the people she helps. She does this out of sense of calling, as well as from a strong love and commitment to the people she serves. Your purchases from Africa Imports pays Hellen for most of her living expenses while she gives others this most valuable help.

## The meaning & history of the cowrie shell

The cowrie shell has many uses. It has been used as money in the past. They are most popular now however for jewelry, hair and religious accessories all over the world.

**Spiritual meaning** - In African legend, a love of cowrie shells shows that you could be family to an ocean spirit of wealth and earth. It also represents the Goddess of protection in the ocean. In Africa, and in the Americas, the cowrie symbolized destiny and prosperity. Also thought of as the mouth of Orisha. Believed to have taught stories of humility and respect.

**Tried and True Methods for Selling Oils**

- Display oils on your store counter. When people are about to leave a shop they often find it hard to resist adding one last inexpensive product to their order. Fragrance oils are inexpensive, fun and customers come back for more.
- Get a sample set of oils and let your customers smell and sample them. Trying different products is the best way to get customers interested, giving you the opportunity to sell them larger bottles and boxes.
- Offer a price match in your store and use oils as an incentive. Promotions like "Buy 2 oils, get one free" or "Spend \$30 and get one free" are a great way to get people to try out oils and increase your sales.

## What is the difference between fragrance oil and essential oil?

### Essential Oils

- Made from plants and other natural products
- Steam distilled to produce the oil
- Completely natural
- More expensive
- Not available for most fragrances
- Designer-named fragrance oils are never essential oils

### Fragrance Oils

- Fragrance oils are used to make perfumes, cosmetics, and flavorings.
- They can be made to almost any fragrance, not just nature scents.
- Cost is normally much lower than the essential oils.
- More options, and a lot more fragrance for your money.

## What is the difference between oils that you burn and oils that you wear?

There is no difference in the oil itself. Some oils are popular for burning, because people like that fragrance in their home - you can think of cherry or frankincense. Other oils are most popular as perfumes. A person may not want to smell like cherry, and may not want their house to smell like Chanel #5. But a person can wear cherry and can burn Chanel #5 if they want to.

## Carrier (cutting) oils

### Help your oils last longer

Normally our customers sell the oils uncut. There are times when oils need to be cut, however. DPG is normally mixed with oils when they are being used in an oil burner or in making incense. Grapeseed oil is the lowest priced carrier oils, it works great for massage, aromatherapy or whenever it is on your skin.

**DPG** (for oil burners and incense making)

(1 lb). O-DPG \$9.95

**Grapeseed Oil** (for wearing)

(1 lb). O-510 \$9.95  
1 Gallon O-510G \$49.95

### Inhalation

Use a diffuser. This device is a helpful way to easily infuse any setting with the scent of your choice.

Place 3-7 drops of essential oil into a bowl of hot water, put your face over the water and a towel over your head to trap in the steam. Keep your eyes closed as you inhale through your nose.

Make a bottled spray or spritz with 10-15 drops of your favorite essential oil and one ounce of water.

### Topical use

Drop it into a bath. While a bathing ritual itself can be a self-soothing treatment, adding essential oils can further benefit you.

Dilute essential oils with a carrier oil and apply the mixture to your skin. Gently rub the oil into pressure points such as your temples and wrists.

Add a few drops of essential oils to your shampoo, conditioner, and body wash or lotion.

There are more than ninety popular essential oils that have both cosmetic and health uses. You can try the African essential oils to enjoy some of the health and beauty benefits.
