making a difference

Issac and Ruth are shown here with their three children. Isaac leads a team of people to help AIDS patients adjust and work within society. Ruth teaches in a grade school for children from poor families who can not afford public schools.

This couple is supported in part by your purchases from Africa Imports. But there is more that your purchases here do. This last month Isaac needed medical care for a heart problem. Isaac and Ruth could not afford the medical costs. Your purchases from Africa Imports allows us to pay the costs of Isaac's heart treatment
